Thank you to all who participated in in Field Day. It was a tremendous success with over 20 amateurs participating. We had 12 visitors including two hams who were in town from Pennsylvania and we picked up four new members!

The 8th Annual Greater Nashville & Middle Tennessee Hamquest will be held on Saturday July 22nd from 8am - 3pm at the James E. Ward Agricultural Center (945 E. Baddour Pky., Lebanon, TN). We will have a table at this year's event. If you have any equipment you would like us to sell at our table, please start gathering them together. We will accept equipment drop-offs at the clubhouse. Check our website for dates and times. When you drop off your equipment, we will need the following information for each piece of equipment: Working Condition, Asking Price, and the lowest price you will accept. For each piece of equipment we sell of yours, we will ask for 10% of the selling price be donated to the club. We are also looking for a couple volunteers to help staff our booth all day. For details on Hamquest, visit their website at <https://midtnhamquest.com>. If you have any questions, please contact myself at dan@w4wwf.com

Coming soon will be our Fall Foxhunt. If you have never participated in a foxhunt, it is a lot of fun! Don't know what a foxhunt is? Click [here](#). We will announce the date and location at a later time.

Have a safe Summer!

Dan

Antenna tower raised at the clubhouse

Several members worked hard in May and June to cut out the asphalt, dig a hole, paint, and raise the antenna tower at the clubhouse. Next steps will be to refurbish the HF beam antenna for placement.
